BBA draft reorg outline v3 w inserts.docx

Hi Glenn,

Here is the latest version from Phil. I'm working on some edits, but don't have a new version to him yet, so am sharing the one he sent out. Pipelines are discussed in a couple areas, so thought it might be best to send the whole file.

Cheers,
Barb

Could one of you send the scenario section on pipelines so that I know what not to include in Ch. 11?
Thanks
